COMMUNITY FORUM

UPDATE ON DEMOGRAPHIC CHANGES IN NORTHEAST OHIO'S OLDER ADULT AND ADULT DISABLED POPULATIONS

Presenter: Mark Salling, PhD, GISP

Research Director and Williamson Family Fellow for Applied Research, Center for Community Solutions and Senior Research Fellow, Levin College of Urban Affairs, Cleveland State University

Tuesday, October 11, 2011

9:00 a.m. to 10:30 a.m.

Benjamin Rose Institute on Aging,

11900 Fairhill Road, Cleveland 44120

Participants will:

1. Understand the socio-demographic changes in NE Ohio's aged and adult disabled populations and compare these changes with state and national population trends.
2. Understand the implications of these changes for health and social service agencies that serve these populations.

**To register, call 216.373.1686,
e-mail info@benrose.org or
register online at www.benrose.org**
